Words From CEO

Green Management Consulting is a prominent management consultancy firm inside Bangladesh. It has qualified and experienced consultants and specialists for large industrial and commercial sectors and operates throughout the country, ensuring that we have the expertise to fully understand your operations and your customer needs. **GMC** takes care of all the managerial secrets and gives the best effort to make your company better for the future. We offer a wide range of consulting services and solutions to organizations in various industries. Our core competence lies in our ability to help small and medium sized businesses to maximize revenue, generate the growth and develop a sustainable competitive edge through our individualized solutions. We are unique in many ways with our highly skilled and experienced staffs for the approach to problem solving. We help to tip the scales in our client's favor by originating bold and unprecedented strategies that are unforeseeable by opponents. We then go even further by actually helping with the implementation of our advice and lead our clients toward better business possibilities.

Md. Rakibul Hasan
CEO
